Dear customers,

Regarding to **GrubHub** took over **EAT24** from Yelp Inc since August 2017. That causes Eddie's Pan Asian Restaurant no power to control the delivery fees charge anymore. If the customers are happy to order us via Yelp, EAT24, and GrubHub, we're OK. However, we strongly recommend all customers order food for Take-out and Delivery by calling the restaurant directly.

- ❖ **Delivery Fees : \$ 1 for delivery [within distance of 3 miles]**
- ❖ Moreover, we still continue to offer a FREE side of Eddie Thai Caesar salad with your order. [worth \$ 3]

Thank you very much for supporting us.

Chef Eddie
